

Holdbrook Primary School

'Dare to Dream, Aim to Achieve'

What is the Sports Premium?

The government is providing additional funding of £150 million per year since 2013, in order to improve the provision of physical education (P.E.) and sport in primary schools. This funding (provided jointly by the Departments for Education, Health and Culture, Media and Sport) has been allocated to all primary schools. The provision of this ring-fenced funding is specifically there to make additional and sustainable improvements to the quality of PE and sport schools offer.

Allocation amounts

Funding allocations are based on the number of pupils in years 1 to 6 as recorded in the January 2018 census. In cases where schools do not follow standard year groupings, pupils aged 5 to 10 attract the funding.

The funding amounts are as follows:

- Schools with 16 or fewer eligible pupils receive £1,000 per pupil
- Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil

Purpose of the funding

Schools must spend the additional funding on improving their provision of P.E. and sport, but they will have the freedom to choose how they do this. The funding must however be used to enhance, rather than maintain existing provision and that improvements must be sustainable in the long term.

Since September 2013, we have been held accountable over how we spend our additional ring-fenced funding. Ofsted will check this and make sure that it is strengthening the coverage and provision of P.E. and sport throughout the school.

Possible uses for the funding might include:

- Hiring specialist P.E. teachers or qualified sports coaches to work alongside primary teachers when teaching P.E.
- Supporting and engaging the least active children through new or additional clubs.
- Paying for professional development opportunities for teachers in P.E. and sport.
- Providing cover to release primary teachers for professional development in P.E. and sport.

- Running sport competitions, or increasing pupils' participation in School Games.
- Buying quality assured professional development modules or material for P.E. and sport.
- Providing places for pupils on after school sports clubs and holiday clubs.
- Providing further opportunities for gifted and talented children.
- Pooling the additional funding with that of other local schools.

How we have been using the £17,609 allocation at Holdbrook for the academic year 2018-19

<u>Key indicator 1: The profile of PE and sport being raised across the school as a tool for whole school improvement</u>		
<u>Actions</u>	<u>Cost so far</u>	<u>Impact</u>
