

PE and Sports Premium Grant at Holdbrook Primary - 2016/2017

At Holdbrook we value sports and physical education greatly and know the huge benefits that an active and healthy life can bring to young children. We plan for extensive opportunities for our children to engage with physical activities and school sports that are age-related, challenging, fun, inclusive but also competitive where appropriate. Physical education and other sporting activities happen at many times during the school day and beyond including; during lessons, playtime and lunchtimes as well as early morning and after school-clubs.

Sport Premium Grant

PE and sports premium is allocated to schools by the government, based on the number of pupils in years 1 to 6. **The object of the funding is for schools to be able to 'make additional and sustainable improvements to the quality of PE and sports that they offer'** (gov.uk).

The current allocation is £8,000 per school, with an additional £5 per pupil. Our school is thus eligible for an additional payment of approximately £800 based on our current pupil numbers in these year groups.

Reporting the use and impact of the PE and Sport Premium

As a recipient of PE and sport premium funding, we publish details of how we spend this money, and the effect it has had on pupils' PE and sport participation and attainment.

We include:

- How much PE and sport premium funding we received for this academic year
- A full breakdown of how we've spent or will spend the funding this year
- The effect of the premium on pupils' PE and sport participation and attainment
- How we will make sure these improvements are sustainable

How we use the PE and Sport Premium Grant at Holdbrook

Given the aim of the funding, we ensure that it is used to **deliver improvements**, over and above the quality PE and sports teaching that we already provide at Holdbrook.

Areas where we use our funding includes:

- Hire qualified sports coaches to work with teachers and pupils
- Provide existing staff with training and resources to help them teach PE more effectively
- Introduce new sports or activities and encourage more pupils to take up sport
- Support and involve the least active pupils by running and extending school sports clubs
- Run sport competitions
- Increase pupils' participation in the School Games
- Participate in sports activities and leagues with other schools through being part of the Waltham Cross & District Primary School Sports Association (WDPSSA)

Number of pupils and sports premium grant (SPG) received: 2016/2017	
Total number of pupils on roll	210
Total number of pupils eligible for SPG in 2016/17	180
Total amount of SPG received	£8800

Gathering evidence of impact of Sports Premium Spending 2016/17

The school's evaluation of its own performance is thorough and robust. A wide range of data is used to measure the impact our spending has -

- Achievement data (including both attainment and progress), pupils' work, observations, pupil voice.
- Assessments are closely moderated by PE Lead, class teachers and Pathway Plus coach to ensure they are accurate and formative.
- A designated member of the SLT maintains an overview of sports premium spending
- Competitive sporting results are taken into consideration by Pathway Plus coaches.
