

Holdbrook Primary School

10th March 2017

Law change for using your mobile phone whilst driving.

It is illegal to use a hand-held phone or similar device while driving, or riding a motorcycle—this is still the case stopped at traffic lights or queuing in traffic.

Did you know? It is also illegal to use a hand-held mobile when supervising a learner driver or rider.

New penalties now mean that motorists and motorcyclists caught using a phone while driving and riding will receive six penalty points on their licence and a £200 fine. This means that new drivers, within two years of passing their test, run the risk of losing their licence for a single offence.

Keep safe—put the phone away in the glove compartment.

Red Nose Day is on Friday 24th March 2017. We will be having a non uniform dress up day for Red Nose Day! Children across the school can wear jeans (or trousers), trainers and a red t-shirt. We are asking for a voluntary donation of £1 per child.

DAY**

The money we raise will help people living really tough lives in the UK and across Africa. For example, £2.50 could buy a mosquito net to protect a family in Africa. In the UK, £5 could pay for an isolated elderly person with dementia to have dinner at their local support group. On their behalf, thank you.

We will also be using Red Nose Day as a learning opportunity to help our pupils explore the issues facing young children across the world, and how the money we raise can help.

We really appreciate your support and hope that you'll have fun helping Holdbrook raise lots of money for Red Nose Day.
