

**BIO :**

I've been a resident of Holdbrook for 15 years now. I became a Governor in November 2015. As I am a ward councillor for Waltham Cross, this comes under the heading of LA Governor. I am passionate about the Holdbrook area, its residents and of course, the school. I was Chair for 8 years of the Holdbrook Residents Association until I was elected as Councillor.

I know a lot of the children who attend Holdbrook School personally and met others when I volunteered in The HUB. One little chap had a nickname for me then as I used to sit with him to do his homework - he called me Gangster Granny - all in good fun, of course.

Apart from my work for the Council, I also work two days a week in Borehamwood for an accountant and I volunteer at the Broxbourne Foodbank.

I have a daughter and granddaughter who live in Kent.
