

BIO :

I have experienced Holdbrook School as a student from the Nursery all the way through to Year 6. As a parent watching my son grow up and develop as an individual before heading off to secondary school, and I now have the great privilege to enjoy Holdbrook School as the Chair of Governors.

Working within the hospitality and leisure industry for over 17 years I have grown my skill set in customer service, business acumen and problem solving. I work within the local area and believe that community engagement is pivotal to the development of the school and local businesses.
