

*BIO:*

*I joined Holdbrook Primary School as Deputy in April 2016 and have been a staff governor since then. I have been on the Senior Leadership Team in three primary schools and one secondary school and a governor in Enfield. Being the link between staff and governors enables me to see both sides of the leadership role within schools.*

*I have been teaching for over 15 years and taught all ages from 6 up to 18. I have made sure that I have taught in a wide range of different places to allow me to know the best way to work with children from different communities and backgrounds. I work proactively with everyone and hope that I am an open and approachable person with the best interests of the learners at heart.*

*Mr Oxford*
